Dear ASF:

I am acknowledging your request in the attached November 7<sup>th</sup> letter and will be responding on behalf of the County Board. This letter was shared with staff from the County Manager's office and the Department of Community Planning, Housing & Development.

We understand that CPHD staff has met with members of ASF recently to answer several of these same questions and had offered an additional opportunity to help clarify. Some of these topics have also been covered in previous public discussions at Board meetings. The staff presentations, County Board deliberations, and discussions at this upcoming Saturday's Regular Meeting will likely also cover many of these questions.

We encourage you to attend.

Christian Dorsey, Chair  
Arlington County Board
